

**MATERIAL OPTIONS****759S TRUNK LOW CABINET**

Trunk Cabinets carry echos of ancient China, when a bride and groom would be given trunks as gifts at their wedding, and bring these trunks, full of personal items, into their new home. Trunk Low Cabinet is a utilitarian design in stunning, luxurious materials. It has three internal compartments, each with a shelf which can be adjusted to three possible heights. One removable solid wood storage box increases storage possibilities. Designed by Neri&Hu and manufactured by De La Espada for the neri&hu brand.
