

**MATERIAL OPTIONS****760 LATTICE**

Lattice is a light with a form inspired by the lattice work found on traditional Chinese screens. neri&hu took a section of a traditional pattern, altered its scale and reinterpreted its form in solid brass with hand-blown coloured glass globes. Designed by neri&hu and manufactured by De La Espada for the neri&hu brand.

SIZE

760S Lattice - Short drop

W151.5 × D92.5 × H85 cm, drop length 110cm

W59 3/4 × D36 1/2 × H33 2/5 ", drop length 43 1/3 "
