

ANISHA

DESIGN LIEVORE ASOCIADOS/2011

Like a fluid and enveloping frame, an irregular ellipse that gives a sense of becoming, Anisha outlines an empty space, defines it and fills it with its light, producing a magical sensation. Realized in ABS, the table lamp Anisha is available in two two colours – pure white that blends with the space or red for a decisive, recognisable presence. It is suitable for a wide range of settings, environments and uses. In the entrance, in a lounge, bedroom or on a desk, with its light spirit and unmistakable identity: both on and off.
