Design: Michiel van der Kley

Born in 1962. Michiel van der Kley:

"Sometimes I like a design because it makes a large gesture, and sometimes because its details turn it into something special. I can never tell exactly why a piece of my furniture looks the way it does. If I could, I would probably have become a writer. For me a piece of furniture should have 'jazz'".

Besides SOFTLINE, Michiel van der Kley works with other international furniture manufacturers.
