
Bolle Terra

Massimo Castagna
2015

Lampada da terra a luce alogena puntiforme (80Watt). Sfere in cristallo trasparente soffiato a bocca. Parti metalliche in ottone brunito a mano. L'ottone risulta naturalmente macchiato e disomogeneo. Questa lavorazione artigianale conferisce ad ogni pezzo una particolare unicità, rendendolo esclusivo. Luce dimmerabile (eccetto per la versione 110 V). Su richiesta versione a LED.

Floor lamp with halogen point light (80 Watt). Transparent blown glass spheres. Metal parts in hand burnished brass. The hand burnished brass finish looks naturally spotted and irregular. Due to this craft made processing, each product is unique and exclusive. Dimmable light (except for 110 V version). LED version, upon request.
