COSY ISLAND

Designed by Francesco Rota

A contemporary solution characterised by enveloping design - featuring large, soft cushions: the Cosy sofa by Francesco Rota is now renewed with new island elements that turn it into an admirable centrepiece.

A distinguishing feature of the entire collection is its great modularity and total freedom of composition: a sofa to be created according to one's needs and, thanks to the wide choice of fabrics, adaptable to any context, from the most modern living rooms to reception and contract spaces.

FRAME

Bearing frame made of solid and multilayer wood, base with elastic belts, feet and concealed hook system.

Padding: variable-density foam polyurethane padding and cover in polyester wadding.

MODULES

System made up of:

- . seating modules for the Islands S (L85 D85), M (L125 D85), L (L170 D85), L extra (L170 D125), XL (L210 D85);
- . one-sided backrest for Island modules with L85, L125 and L170;
- . two-sided backrest for Island modules with L85, L125 and L170;

The Cosy Island and Cosy Curve upholstered module systems can be mutually combined to create numberless configurations conceived to be continuously remodelled as desired.

The seating modules can also be used individually as pouf elements.

ADDITIONAL CUSHIONS

- . Square cushion 50x50cm with down filling and lateral strip;
- . Rectangular cushion 75x40cm with down filling and lateral strip;
- . Lower back cushion 75x25cm with down filling and lateral strip.

COVER

The fabric covering every part of the sofa is manufactured to enhance the softness of the sofa.

The covers are completely removable.
