Dipped Collection: A collection based on research into material combinations, textures and color. Simple, minimal and yet highly complex.

A collection which plays with the natural hues of undyed materials. By mixing aloe, silk and Himalayan wool together in different combinations and quantities, the rugs gain incredible textures, some soft and silky others rough and tactile. The natural material combinations absorb and reflect light differently creating rich natural tones giving depth to a minimal and contemporary design.

CC-TAPIS DESIGN-LAB

cc-tapis®

cc-tapis is an Italian company which produces contemporary hand-knotted rugs which are created in Nepal by expert Tibetan artisans. The company was founded by Nelcya Chamszadeh and Fabrizio Cantoni in France who have been producing hand-knotted rugs in Nepal for over 18 years. In 2011 cc-tapis moved to Milan where the company is now based and a team of designers lead by Daniele Lora, art-director and partner, innovate through a new approach to traditional methods.
