CHAIRS

Antonio Citterio

Description

Sofas, armchair, small armchair and chair, including a stackable version, offer a technological blend of extruded and die-cast aluminium elements. Their lightness and design makes them ideal for both public and residential settings, featuring seat and back cushions for ergonomic comfort together with strength for outdoor use. The painted frames are available in three finish combinations: white painted aluminium frame with tortora colour polypropylene fibre interlacing, tortora painted aluminium frame with tortora colour polypropylene fibre interlacing or finally anthracite painted aluminium frame with anthracite colour polypropylene fibre interlacing.
