GIUSEPPE DI COSTANZO

Giuseppe Di Costanzo, born in Naples in 1979, graduated in Architecture from the University Federico II in Naples. He works in architecture in all scales of intervention, from urban to interiors. He has participated in numerous national and international competitions obtaining some awards including the 1st price for the redevelopment of the historic center of San Basile (CS); 1st prize for the design of the new town hall of Rodano (MI); and with studioInsito he won the competition "Regenerate Corviale", which was exhibited at the Architecture Biennale in 2018. He currently lives and works in Rome where he founded dc+f Architettura. His research also extends to design, realizing, in collaboration with artisans, small series and limited-edition design.
