DESCRIPTION

Icon of Italian design and the result of the brainchild of designers Michele De Lucchi and Giancarlo Fassina, the Tolomeo lamp was launched on the market in 1987. It embodies the perfect balance between functionality and aesthetics.

The design of the Tolomeo is characterized by clean and minimalist lines, with a structure made of aluminum. This material gives the lamp not only a modern and sophisticated look but also remarkable lightness and robustness.

In the Mega Suspension version, the Tolomeo diffuser, in two different sizes, is simply suspended for a simple and stylish solution both stand-alone and coordinated with the wide range of versions from the Tolomeo family.
