YALE

Designed by Jean Marie Massaud

Synthesis, reduction, lightweight. But above all **comfort**: these are the principles that **Jean Marie Massaud** has always been following for his creations. These principles were transferred into Yale collection of sofas and armchairs that in **2011** was awarded the prestigious **Golden Compass** for its innovative vision of upholstered sofas and armchairs combined with a minimal support structure.

In fact, it's the **lightweight of the aluminium** composing the supporting base that "embraces" the sophisticated cushions filled with polyester wadding. Offering the chance to play with fabrics, finishes and colours, Yale with its strong identity adapts to every type of interiors, both residential and contract. Such an **elegance**, purified from any mannerism and focusing on the product's essence, can be also found in **Yale X**, **Yale Bed** and **Yale Low Table**.

WHY YALE

- It's an upholstered sofa of great visual impact
- It's **lightweight** and incredibly **comfortable**
- It is available in different depths
- Cushions are removable

FRAME

Frame in extruded aluminium with elastic belts, die-cast aluminium feet.

The profile in steel, fixed to the frame, supports and holds the backrest cushions and the arm.

The profile is painted gloss white or matt white, bronze, black nickel.

CUSHIONS

With removable cover, in indeformable variable-density polyester wadding.

Structural backrest cushions.
