YALE BED

Designed by Jean Marie Massaud

Jean Marie Massaud's latest creations were conceived for a functional and contemporary home, expressing a style and a way of living in which formal simplicity doesn't exclude creativity, quality, innovation and a sophisticated aesthetics.

The designer extends Yale X's project idea to the night area, proposing again Yale's softness and comfort for the headboard, as well as the refined aesthetics of the sofa's stand as the hallmark of the bedframe.

The bed concept means a welcoming headboard, capable to offer the best comfort to relax, read or watch TV, a good mattress and a comfortable pillow.

The bed is offered in two different versions – with low headboard h 90 cm and with high headboard h 103 cm – with fabrics or leather coating, to meet different comfort needs and taste requirements.

STRUCTURE

Structure in extruded aluminium, die-cast legs in aluminium.

The structure is painted matt in the colours white, bronze and black nickel.

The upholstery in fabric or leather covers every part of the headboard and is completely removable.

These contrasting seams characterise and identify the Yale Bed collection, only for the high headboard variant. Available in the colours white, medium grey and anthracite, which can be selected and combined by the client.
