

HIMBA

SOFAS AND ARMCHAIRS | Open-air
ROBERTO LAZZERONI

The Himba collection redefines interiors and exteriors with ethnic-inspired and natural looking furniture. Sofas, loungers and armchairs designed by Roberto Lazzeroni to become majestic presences in the home as well as in the garden, blending into nature and acquiring character and meaning over time. Remarkably delicate and made even more welcoming by the cushions, the pieces in the collection are like exotic sculptures and can be used both in the living room and outside the home thanks to the leather (indoor or outdoor) and fabric (outdoor) covers.

Structure: frame in sand-blasted solid iroko with oil finish.

cushions: loose seat cushion with fastening toggles in solid iroko, backrest cushion and decorative cushions with removable covers in single density polyurethane foam in viscofibre with waterproof outdoor lining.

Seat cushions (armchair, lounge and mattress) designed to be fastened to backrests with magnets.

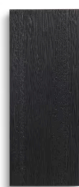

Covering / Coating: removable cover with lower cushioned part in non-slip rubberised outdoor fabric.
