Yuan Designer: Outin.Design

Un tavolo in cui la ricchezza materica incontra la precisione scultorea. Il piano, incorniciato in massello di frassino e disponibile nelle finiture di collezione, può essere abbinato a una superficie coordinata – nelle varianti di collezione (93, 96, 2P, 2R) - oppure ad un top in marmo, dando vita a un dialogo sofisticato tra calore e ricercatezza. Gli angoli sono impreziositi da discreti dettagli in Pau Ferro, firma artigianale distintiva e perfettamente coerente con l'identità della collezione. Il tratto iconico si esprime nelle gambe: un disegno a "L" con un vuoto studiato che dona leggerezza visiva e dinamismo all'insieme. Disponibili in massello di frassino, in Pelle Plus o Pelle Satin, oppure nell'evocativo Antico Impasto Romano con foglie di tè.
Proposto in diverse dimensioni e forme, Yuan si adatta con naturalezza sia agli ambienti dining sia alla cerimonia del tè, con una dimensione dedicata, disponibile in esclusiva anche con piano in Antico Impasto Romano.

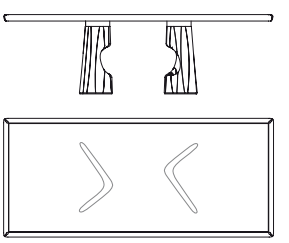

—
A table where material richness meets sculptural precision. The top is framed in solid ash, available in the collection's finishes, and can be paired with either a matching ash surface, available in the finishes of collection (93, 96, 2P, 2R), or with a marble top, creating a dialogue between warmth and sophistication. Subtle Pau Ferro inlays accent the corners, adding a distinctive artisanal signature coherent with the rest of the collection. The defining feature lies in the legs: an L-shaped design with a refined void that introduces lightness and movement to the structure. Available in solid ash, Pelle Plus or Pelle Satin, or the evocative Antico Impasto Romano with tea leaves.
Available in different dimensions and shapes, the Yuan table makes itself suitable both for dining settings and for the tea ceremony, with a dedicated dimension, exclusively available also with a top in Antico Impasto Romano.
